**COMPUTER PROGRAM END ITEM DOCUMENTATION  
for  
Windows Integrated Logistics Assessment Model (WINLAM)  
Funding/Availability Multi-Method Allocator for Spares(FAMMAS)**

Enclosed are four sets of floppy disks. Included is one set each of the program disks for both WINLAM and FAMMAS. These programs can be installed on any IBM compatible Windows machine by inserting the first install disk into the appropriate drive and typing WINSTALL at the DOS prompt.

Also included are the disks containing the source code listings for both WINLAM and FAMMAS. Any standard text editor may be used to view and/or print the source code listings. A hardcopy of the source code listings is not included in this deliverable due to its extremely large size. However, a hardcopy listing of the source code will be provided if requested.
